Important - New drop off routine – from 7th January!

We are changing morning drop off routines from January. From **8.35am on 7th January** we are asking that **all parents** drop their child/children off at the front white gate. Gates shut at 8.50am.
If you need to give a message to Mrs Stone then she will also be at the gate to ensure those messages can go to the relevant person. If your child struggles to come into school, please do speak to their class teacher and we can ensure there is an adult available to take them through.
