

AUTUMN TERM

- Thank you for attending and supporting our Phonics and Reading evening, as well as our outstanding Maths evening. These events provide an excellent opportunity to engage with your child's learning and gain valuable insights into how you can best support their progress at home. For those who were unable to attend, we will be sharing additional information shortly.
- Street Forge Workshops generously donated 12 expertly crafted wooden bird boxes, bug houses, and feeders to our Eco Warriors. Our Eco Warriors assisted in selecting optimal locations around the school to attract a variety of birds and insects. They thoroughly enjoyed the experience and are eagerly anticipating welcoming many new visitors to their habitats soon.

HARVEST FESTIVAL

- Our Collective Worship Ambassadors have been working really hard to prepare for this years Harvest Festival Service and are looking forward to sharing their ideas with you.
- Teas and Coffees will be served in the Church from 8.50am by our wonderful FOTS
- A reminder that Mrs Chapman has offered to take any food bank donations this year. You can drop these into school if you would like to make any donations.
